Dedication

We feel that we can not leave this year without thanking all the wonderful people who have made our Senior year happy for us. Although there are many who have done this we would like to thank one person especially.

This person was our sunshine on a rainy day. When our hearts were low she boosted them with her radiant smile and her charming personality. She has always been a loyal friend to the Seniors and aided us in everything we undertook to do.

Because of the steadfast friendship she has given us, we feel we humbly and most sincerely dedicate this annual to our English teacher, Mrs. Maggie Webb.

"Do unto others as you would
have others do unto you."

Mrs. Webb, thank you for being patient with us, while we were striving to learn. What you have taught us will remain in our hearts forever and we will never forget you.

FLATONIA PUBLIC SCHOOLS

R. B. FROEHNER, Superintendent

FLATONIA, TEXAS

March 29, 1961

Dear Friends:

It is again a joy and a pleasure for me to add a few words to your school annual. May I congratulate the staff and the sponsors for making this edition possible.

To the seniors, graduation is an important milestone. You are stepping from one phase of life to another that is even more important and vital. If you took full advantage of your educational opportunities, the assurance of a successful future is more probable regardless of your future activities. I hope you have learned to think constructively, developed high moral and spiritual values, and are ready to assume adult responsibilities. I am confident that you will live up to your experiences and expectations, for tomorrow you will be the leaders of our society. As you go forth from this basic education that you have participated in - our sincere best wishes go with you.

May I challenge the student body to continue with renewed effort the benefits that are made available through this great institution, the public schools. Use this privilege well for the future depends on you.

Sincerely,

R. B. Froehner

Student Council

Among the accomplishments of the Student Council this year was a successful homecoming. Music for the dance was provided by Jurecka's Orchestra, and everyone seemed to enjoy themselves.

The council held a Frontier Day Parade in co-operation with the F.F.A. Prizes were awarded to the most appropriately dressed couple. Everyone enjoyed the good "Old West."

We also conducted a Christmas party and entertainment was provided for both Flatonia High and Elementary Schools.

The council also had inspirational and educational speakers for the benefit of the high school students.

The council sent several of its members to the meetings of the Colorado Valley Association of Student Councils.

F.H.A. ACCOMPLISHMENTS

The F.H.A. began the year with 36 members in the organization. The main events of the year included the F.F.A.-F.H.A. Sweetheart party and hayride, the Parent-Daughter Banquet, the annual Chili Supper and Talent Show. The "Moods" were the feature stars of the Talent Show. Several of the members and the Sweetheart, Frank Bridges, attended the District Meeting in Schulenburg. Eunice Loth represented the chapter at a Style Show in Waelder. All in all the chapter accomplished many of its goals this year.

FUTURE FARMERS OF AMERICA

F. F. A. ACCOMPLISHMENTS

The Flatonia High School F. F. A. Chapter began the year with 31 members under the capable guidance of their advisor, Mr. Leon R. Kainer. The two biggest events in the year for the members were the Fat Stock Show and the Parent-Son Banquet. Both were very successful. The chapter was represented this year at the district meetings and at the area and state conventions. The pig circle was continued and the Farm Skills Team placed second in district. National F. F. A. Week was observed by the chapter. A sweetheart party was held in conjunction with the F. H. A. Chapter. Awards were presented to members with outstanding accomplishments. This year the chapter raised funds by selling rat poison and troughs, collecting dues, operating the concession stand at the football games, and raising pigs. The chapter accomplished many goals that have been a credit to the school and the organization.
